Introduction to interior design - SlideShare

Parsons offers rigorous interdisciplinary programs across the spectrum of art and design, from fashion and technology to urban design, fine art, and management. Here, creators and scholars master established disciplines and develop emerging ones, fostering innovation that transforms business, advances sustainability, and enhances social impact

Fashion design - Wikipedia

Fashion design is about looking to the future to innovate for today, but it is important to understand the foundation of the design process. In this course, you will learn about technological developments in fashion design, 3D and digital printing, and artisanal design and craftsmanship.

Fashion Design | Coursera

Fashion design is the art of applying design, aesthetics, clothing construction and natural beauty to clothing and its accessories. It is influenced by culture and different trends, and has varied over time and place. "A fashion designer creates clothing, including dresses, suits, pants, and skirts, and accessories like shoes and handbags, for consumers.
