According to Self, Symbols, & Society, Cooley’s theory is notable because it suggests that self-concept is built not in solitude, but rather within social settings. In this way, society and individuals are not separate, but rather two complementary aspects of the same phenomenon. Core Assumptions

Merkaba Symbol - Ancient Symbols

Self-reliance thus refers not just to paying one’s own bills, but also more philosophically to the way the natural world and humankind rely on the self to exist. This duality explains the connection between Thoreau the accountant and Thoreau the poet, and shows why the man who is so interested in pinching pennies is the same man who exults
