Counseling and Psychological Services | Ohio University

David Alexander Paterson (born May 20, 1954) is an American politician and member of the Democratic Party who was the 55th governor of New York, succeeding Eliot Spitzer and serving out nearly three years of Spitzer's term from March 2008 to the end of 2010. He is the first legally blind person to be sworn in as governor of a U.S. state, and is the first African American to serve as governor.

Peel Crisis Capacity Network

The COVID-19 crisis has altered this planning process for many reasons, primarily because the degree of possible changes has expanded. This expansion results in a wider range of possible outcomes. The speed of changes has also accelerated during this crisis: whereas previously relatively little uncertainty existed over a 3- to 6-mo time horizon.
